Dear Eagle Staff families,

This week the PTSA kicks off our very first **Annual Giving Campaign!** Our 2017 campaign runs from October 16 - 27, and our goal this first year is to raise **\$70,000** to meet the needs of students, staff, and our community.

→ This will be our one and only major fundraising activity in 2017-2018. ←

Contributions will go toward helping our classrooms and our students this school year.

The PTSA is focused on creating an environment where every child connected to Robert Eagle Staff Middle School has a rich and rewarding middle school experience, allowing them to reach their full potential. Your contribution will help make that happen!

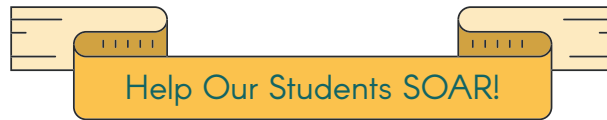

Our students have been experiencing the joys and the occasional hiccups of attending classes in this brand new school for about a month. As school needs emerge, our PTSA aims to help the school run smoothly in the first year of operation, and we also strive to enrich our students' experience and help our Ravens SOAR (Scholars show Ownership, Academic Focus, and Respect and Responsibility).

Our suggested donation per family is **\$250**. Any amount you are able to contribute helps us reach our goal! **Please return this form with your check to the main office, or donate online:**
